Welcome on board

Our experienced team of pilots flies you to your desired destinations for more than a decade now. According to your wishes, you can fly individually and flexibly with us.

Business flights, private flights or round trips – we carry up to six passengers. Our jets can land at more than 1,500 airports in Europe.

Privacy and absolute discretion are self-evident. Safety on board is our top priority.

Additional services

Freight transports – Rely on us, we will ship your cargo (e.g. dangerous goods, documents or spare parts) to the desired destination just in time.

Ambulance flights – We are authorized for the transport of medical freight as well as organs of donors.

Aircraft management – We are your competent partner for the maintenance and operation of your own aircraft.

Travel management – Based on your requirements, we organize regular and connecting flights, limousines and rental cars, group charters, hotel bookings, helicopter flights etc.

Travelling comfort

The cabin of our Hawker Beechcraft Premier 1/1A with a height of 1.68 m and a width of 1.69 m is more spacious than any other in its class.

Fly with us

The Hawker Beechcraft Premier 1/1A is well known for a luxurious and spacious interior. The airplane's simple elegance ensures relaxed and comfortable travelling at a top speed beyond 800 km/h.

We reach Europe and the world from our home base Berlin-Schoenefeld airport in Germany with a range of up to 2,500 km.

Your travel – our mission

Personal service and accurate execution – we are eager to meet your demands as best as possible. The highest quality and safety of our aircrafts is ensured by our own technical supervision and close cooperation with service providers we rely on for many years. We are looking forward to meeting you!

Our principle

For maximum safety and the best possible quality we follow the rules of the European Union as well as the company's internal guidelines. External auditors regularly check the effectiveness of the implemented standards.
